## arculat terv

A Téliapó a gyerekek legjobb barátja. Karácsonykor több ezel levél érkezik hozzá a világ minden tájáról. Ilyenkor, ha a gyerekek kívánságai nem teljesen érthető, valamilyen formában írnia kell nekik, hogy megkérdezze, pontosan mire is gondoltak. A Téliapó nem írhat saját levélpapír és boríték nélkül!

arculat terv
